SCRIP DIVIDEND CIRCULAR 2024

**Quarterly Dividend Cycle, Scrip Dividend Alternative and Scrip Dividend
Mandate for the Proposed Quarterly Interim Dividends for the financial year
ending 31 December 2024**

If you wish to receive the four quarterly interim dividends for the Company’s financial year ending 31 December 2024 in cash in respect of your holding of Ordinary Shares and do not have a Scrip Dividend Mandate in place, you should take no action.

If you already have a Scrip Dividend Mandate in place and you wish to continue to receive Scrip Shares in respect of your holding of Ordinary Shares, you should take no action.

If you hold your Ordinary Shares in CREST and wish to elect for the Scrip Dividend Alternative in respect of the Ordinary Shares that you hold, you should refer to paragraph 6 of the Appendix to this document.

If you hold share certificates for your Ordinary Shares and wish to elect for the Scrip Dividend Alternative in respect of the Ordinary Shares that you hold, you should make a standing election (a “**Scrip Dividend Mandate**”) by completing the Scrip Dividend Mandate attached to this document and returning it as soon as possible, but in any case so as to reach the Company’s registrars (the “**UK Transfer Agent**”) at Link Group, Central Square, 29 Wellington Street, Leeds, LS1 4DL, by no later than the Relevant Quarterly Dividend Deadline Date (see details on page 2).

If the Scrip Dividend Mandate is not received by the UK Transfer Agent before the Relevant Quarterly Dividend Deadline Date, the full cash dividend entitlement will be paid in respect of all the Ordinary Shares for which you hold share certificates. The Scrip Dividend Mandate will then be applied in respect of the next and all future quarterly interim dividends.

To holders of Ordinary Shares in the Company

Dear Shareholder

SCRIP DIVIDEND ALTERNATIVE

Introduction

I am writing to you as a shareholder of The Renewables Infrastructure Group Limited (the “Company”) in respect of the forthcoming quarterly dividend cycle, (payable at the end of June, September, and December 2024, and March 2025), that the Company intends to deliver for the financial year ending 31 December 2024.

Each quarterly interim dividend will be declared following the scheduled quarterly meetings of the Company’s Board of Directors in May, August, November and February each year. As usual, the Company will formally announce dividend declarations through the Regulatory News Service of the London Stock Exchange and in the ‘Regulatory News’ section of the ‘Investors’ part of the Company’s website (www.trig-ltd.com), with the announcements anticipated to be on the Relevant Quarterly Declaration Dates set out on page 2 of this document.

It is expected that the quantum of each quarterly interim dividend will be one-quarter of the target aggregate dividend for the financial year in question. In respect of the financial year ending 31 December 2024, the Company is targeting an aggregate dividend for 7.47p, payable as four equal quarterly interim dividends of 1.8675p per share (each a “**Relevant Quarterly Dividend**”).

The Company aims to declare its first quarterly interim dividend for the financial year to 31 December 2024 on 8 May 2024. The target dividend is 1.8675p per share to be paid on 28 June 2024 to Shareholders who hold shares on the Relevant Quarterly Record Date, being 17 May 2024.

Cash Dividends

If you currently receive your dividends in cash (rather than in the form of scrip shares), and wish to continue to do so, you need take no action. The full cash dividend entitlement will continue to be paid to you in the usual manner on the Relevant Quarterly Dividend Payment Dates which will be on or around the last business day of June 2024, September 2024, December 2024 and March 2025.

Scrip Dividend Alternative

At each Annual General Meeting of the Company, the Company intends to seek shareholder approval to offer shareholders the right to receive further Ordinary Shares in respect of all (in the case of certificated shares) and all or part (in the case of uncertificated shares) of any dividend that may be declared. Shareholder approval will be sought to renew this authority at the forthcoming annual general meeting to be held in May 2024, and on an annual basis thereafter.

Since February 2014, the Company has provided a scrip dividend alternative (the “**Scrip Dividend Alternative**”) for Shareholders on the register on the appropriate record date who wish to receive new ordinary shares (“**Scrip Shares**”) in lieu of cash. In doing so Shareholders may increase their holdings without incurring dealing costs. In addition, a UK investor should incur no income tax or (in the case of a corporate) corporation tax on the cash value of the Scrip Shares. Capital Gains Tax may be payable on the subsequent disposal of the Scrip Shares subject to the individual’s circumstances but not if within the applicable tax-free allowance. This is described in more detail in paragraph 11 of the Appendix to this document and as noted in that paragraph, investors should consult their own professional tax advisors in relation to the tax consequences of electing to receive Scrip Shares. The Company benefits from the retention of cash which would otherwise be paid out as a dividend.

As previously announced, following feedback from Shareholders who had been disappointed by the cancellation of the Scrip Dividend Alternative, the Board amended the terms of the Scrip Dividend Alternative during 2023 so that when the Ordinary Shares were trading at a discount to their prevailing Net Asset Value, Scrip Shares could still be issued pursuant to the Scrip Dividend Alternative at the prevailing Net Asset Value per Share. However, under the amended terms, the Directors retain the discretion to revoke the Scrip Dividend Alternative where the discount to the prevailing Net Asset Value at which the Ordinary Shares trade exceed 10 per cent. or in other circumstances where the Directors consider it would be in the best interests of shareholders to do so.

The Company intends to continue to offer the Scrip Dividend Alternative on the basis of the amended terms set out in the Appendix to this document. It is important to note that due to the change in terms of the Scrip Dividend Alternative, it is possible that Scrip Shares may be issued in the future (including in respect of the First Quarterly Interim Dividend for the financial year ending 31 December 2024 which is expected to be declared on 8 May 2024) at a premium to the prevailing Ordinary Share price. **Shareholders who do not wish to receive Scrip Shares at a premium to the prevailing Ordinary Share price may wish to revoke their Scrip Dividend Mandate (as defined below) which they may do at any time prior to 5.00 p.m. on the Relevant Quarterly Dividend Deadline Date.** The Directors will continue to have discretion to revoke the Scrip Dividend Alternative where the discount to the prevailing Net Asset Value at which the Ordinary Shares trade exceeds 10 per cent. or in other circumstances where the Directors consider it would be in the best interests of shareholders to do so. Further details of how the Relevant Quarterly Scrip Share Reference Price will be calculated in respect of the quarterly interim dividends for the Company’s financial year ending 31 December 2024 and also for future financial years are set out in paragraph 4 of the Appendix to this document.

The Company intends to continue to offer the Scrip Dividend Alternative on the basis of the amended terms set out in the Appendix to this document (subject to on-going Shareholder approval at future Annual General Meetings) but, in the interests of efficiency and the environment, the Company does not provide the option to make a one-off scrip election each quarter. Instead, each year, Shareholders will be reminded of the option to make a standing election for all future dividends (a “**Scrip Dividend Mandate**”). You may make or revoke a Scrip Dividend Mandate at any point in time. Further details are set out in paragraph 5 of the Appendix to this document and the Scrip Dividend Mandate is at the end of this document.

The Company intends to publish its annual scrip circular once a year (the “**Scrip Circular**”). The Scrip Circular will set out the general terms and indicative timetable for the quarterly interim dividends for that financial year. The Scrip Circular will be available from the Company’s website and will be sent to all Shareholders (except those who have elected not to receive hard copy documents). Shareholders should refer to the Company’s website on or around the indicative publication dates to obtain information relating to the Relevant Quarterly Dividend Declaration, Relevant Quarterly Ex-Dividend Date, Relevant Quarterly Record Date and Relevant Quarterly Scrip Share Reference Price. The indicative timetable for the First Quarterly Interim Dividend and for the remaining quarterly interim dividends for the financial year ending 31 December 2024 is set out on page 2 of this document.

If you already have a Scrip Dividend Mandate in place and wish to continue to receive Scrip Shares, you need take no further action. Shareholders on the register at the Relevant Quarterly Record Date who already have a Scrip Dividend Mandate in place, or who put one in place prior to the Relevant Quarterly Dividend Deadline Date, will receive a number of Scrip Shares based on the

Relevant Quarterly Dividend and the Relevant Quarterly Scrip Share Reference Price calculated using the formulae in paragraph 4 of the Appendix to this document.

If you hold your Ordinary Shares in CREST and you wish to elect to receive Scrip Shares, you should submit a Dividend Election Input Message (as defined in the CREST Manual) by 5.00 p.m. on the Relevant Quarterly Dividend Deadline Date (7 June 2024 in the case of the First Quarterly Interim Dividend), as set out in paragraph 6 of the Appendix to this document.

As explained in more detail in the Appendix to this document, the Scrip Dividend Alternative and the proposals described in this document are conditional upon the admission of the relevant Scrip Shares to the premium segment of the Official List and to trading on the main market for listed securities of the London Stock Exchange (“**Admission**”).

The Appendix to this document provides more information on the Scrip Dividend Alternative, the Scrip Dividend Mandate and on some of the UK taxation consequences as at the date of this document. **Only if you would like to consider taking all future quarterly interim dividends in the form of Scrip Shares should you read the rest of this document.** When considering what action to take, you are recommended to obtain appropriate professional advice.

You may change your mind in relation to your scrip election at any time. If you wish to revoke your Scrip Dividend Mandate you may do so at any time by writing to the Company’s UK Transfer Agent, Link Group at the address below or by revoking your election via their web portal (www.signalshares.com). If you wish to set up a Scrip Dividend Mandate you may do so at any time by downloading and completing the Scrip Dividend Mandate at the end of this document from the Company’s website (www.trig-ltd.com) under ‘Circulars’ in the Investors section, and sending it to Link Group, Central Square, 29 Wellington Street, Leeds, LS1 4DL. Any changes, if received later than 5.00 p.m. on the next Relevant Quarterly Dividend Deadline Date (see page 2 of this document for details), will only become effective for the following quarterly interim dividend. Please quote your name, address and investor code (located on your share certificate/dividend tax voucher) in all correspondence.

Should you require any assistance in relation to your shareholding in the Company, please contact Link Group on 0371 664 0321 (calls are charged at the standard local rate and will vary by provider) or email shareholderenquiries@linkgroup.co.uk. Calls outside the United Kingdom will be charged at the applicable international rate. Please note that Link Group cannot provide any financial, legal or tax advice and calls may be recorded and monitored for security and training purposes. Please quote your name, address and investor code (located on your share certificate/dividend tax voucher) in all correspondence.

Yours faithfully

Chairman

APPENDIX: TERMS AND EXPLANATORY NOTES

1. TERMS OF ELECTION

Shareholders with Ordinary Shares registered in their names at the close of business on the Relevant Record Date may elect to receive their entitlement to the Relevant Quarterly Interim Dividend (the “**Full Cash Dividend**”) in the form of Scrip Shares credited as fully paid at the Relevant Quarterly Scrip Share Reference Price per Ordinary Share, instead of in cash. No fraction of a Scrip Share can be allotted and the cash representing any fractional entitlement to a Scrip Share will be dealt with as described in paragraph 3 below. All elections will be subject to fulfilment of the conditions specified in paragraph 2 below. If the conditions are not satisfied, an election will automatically become void and the relevant Shareholder will receive the Full Cash Dividend in the usual way. The entitlement to receive Scrip Shares under the Scrip Dividend Alternative is personal and non-transferable.

This election may only be made by a certificated Shareholder in respect of all of the holding of Ordinary Shares or in the case of a CREST shareholder may be made in respect of all or part of the holding of Ordinary Shares, in each case as registered in his/her name at the close of business on the Relevant Quarterly Record Date.

If the Directors decide to offer Scrip Shares instead of a cash dividend for the financial year ending 31 December 2025 or other future periods you will be informed separately. If you already have a Scrip Dividend Mandate in place at that time you will continue to receive Scrip Shares.

2. CONDITIONS

The Scrip Dividend Alternative is conditional on:

- (a) admission of the Scrip Shares to the premium segment of the Official List being granted by the Financial Conduct Authority and admission of the Scrip Shares to trading on the main market for listed securities being granted by the London Stock Exchange (see paragraph 10 below); and
- (b) the Directors not revoking their decision to offer Scrip Shares instead of the Full Cash Dividend.

The Directors have the power at any time up to 5.00 p.m. on the Relevant Quarterly Dividend Deadline Date to revoke their decision to offer Scrip Shares instead of the Full Cash Dividend. It is envisaged that the Directors would only consider revoking this decision in the event of a change in market conditions which, in the reasonable opinion of the Directors, might render the Scrip Dividend Alternative materially detrimental to those Shareholders electing for it. By way of guidance, if the mid-market closing price of an Ordinary Share at the close of business the day before the Relevant Quarterly Dividend Deadline Date stands at greater than 10 per cent. to the Relevant Quarterly Scrip Share Reference Price, the Directors are likely to cancel the Scrip Share Alternative.

Notwithstanding the above, the Directors are unlikely to offer the Scrip Dividend Alternative when the discount to the prevailing Net Asset Value per Ordinary Share at which the Ordinary Shares are trading exceeds 10 per cent. at the time at which the Relevant Quarterly Scrip Share Reference Price is calculated.

3. FRACTIONAL ENTITLEMENTS

Fractions of Scrip Shares cannot be issued. Any residual cash amount representing a fraction of a Scrip Share arising as a result of an election for the Scrip Dividend Alternative in respect of all or part of a holding will never exceed the value of one Ordinary Share at the Relevant Quarterly Scrip Share Reference Price (as calculated in paragraph 4 below). Rather than incur the administrative inconvenience and cost of paying such small amounts to individual Shareholders, any residual cash amount will be retained by the Company in accordance with its articles of incorporation. No residual entitlements will be carried forward to future scrip dividends, nor will they be paid or payable to the relevant Shareholders.

4. BASIS OF ENTITLEMENT

Your entitlement to Scrip Shares under the Scrip Dividend Alternative in respect of the Relevant Quarterly Interim Dividend is based on the Relevant Quarterly Interim Dividend and on the Relevant Quarterly Scrip Share Reference Price for each Scrip Share which shall be calculated as the higher of (i) the average of the middle market price of an Ordinary Share derived from the Daily Official List of the London Stock Exchange for the Relevant Quarterly Ex-Dividend Date and the four subsequent dealing days (the “**Prevailing Average Market Share Price**”), and (ii) the prevailing Net Asset Value per Ordinary Share as at the Relevant Quarterly Ex-Dividend Date (the “**Prevailing NAV per Share**”).

The formulae used for calculating the Scrip Share entitlement are as follows:

$$\begin{array}{l} \text{Number of Ordinary Shares} \\ \text{held at the Relevant Quarterly} \\ \text{Record Date} \end{array} \quad \times \quad \begin{array}{l} \text{Relevant Quarterly} \\ \text{Interim Dividend} \\ \text{per share} \end{array} \quad = \quad \begin{array}{l} \text{aggregate dividend} \\ \text{available for} \\ \text{share election} \end{array}$$

and

$$\frac{\text{Aggregate dividend available for share election}}{\text{Relevant Quarterly Scrip Share Reference Price}} = \text{number of Scrip Shares (rounded down to the nearest whole number)}$$

Shareholders electing for the Scrip Dividend Alternative should note that if the Prevailing Average Market Share Price is less than the Prevailing NAV per Share, the Scrip Shares issued pursuant to the Scrip Dividend Alternative will be issued at the Prevailing NAV per Share. Accordingly, Scrip Shares may be issued at a premium to the Prevailing Average Market Share Price and the number of Scrip Shares issued pursuant to the Scrip Dividend Alternative may be less than the number of Ordinary Shares that a Shareholder would be able to acquire in the market using the Full Cash Dividend that the Shareholder would otherwise receive if it had not elected for the Scrip Dividend Alternative. Shareholders who do not wish to receive Scrip Shares at a premium to Prevailing Average Market Share Price may revoke their Scrip Dividend Mandate (as defined below) at any time prior to 5.00 p.m. on the Relevant Quarterly Dividend Deadline Date.

5. HOW TO MAKE A STANDING ELECTION FOR THE SCRIP DIVIDEND ALTERNATIVE: CERTIFICATED HOLDERS ONLY

This paragraph 5 applies only to Shareholders who hold share certificates in respect of their Ordinary Shares.

To receive the maximum number of Scrip Shares to which you are entitled in respect of the Relevant Quarterly Interim Dividend and all subsequent Relevant Quarterly Interim Dividends for which a Scrip Dividend Alternative is offered via a standing election (a “**Scrip Dividend Mandate**”), please complete the Scrip Dividend Mandate at the end of this document and send it to the UK Transfer Agent to reach them by no later than 5.00 p.m. on the Relevant Quarterly Dividend Deadline Date. You can also apply on-line at www.signalshares.com.

A Scrip Dividend Mandate, until revoked, instructs the Company to treat you as having elected to take the maximum whole number of Scrip Shares available instead of cash in respect of all future dividends for which a Scrip Dividend Alternative is offered. The Scrip Dividend Mandate will apply to your entire holding of Ordinary Shares on the Relevant Quarterly Record Date for the Relevant Quarterly Interim Dividend. If you acquire or dispose of any Ordinary Shares, the Scrip Dividend Mandate will continue to apply (until revoked) to such increased or decreased shareholding.

Your Scrip Dividend Mandate may be cancelled by the Company at any time, or by you giving written notice to the UK Transfer Agent so as to be received before 5.00 p.m. on the Relevant Quarterly Dividend Deadline Date. Your Scrip Dividend Mandate will be revoked automatically if the Company registers a transfer of all your Ordinary Shares or if the Company receives notice of your death.

The Scrip Dividend Mandate is subject to the subsequent renewal in general meeting of the Directors’ authority to offer a Scrip Dividend Alternative. It will only apply in respect of any future dividend if the Directors decide to offer a Scrip Dividend Alternative in respect of that

dividend. If the Directors' authority is not renewed, or the Directors decide not to offer a Scrip Dividend Alternative in respect of any particular dividend, the Full Cash Dividend will be paid in the usual way.

6. HOW TO MAKE THE ELECTION FOR THE SCRIP DIVIDEND ALTERNATIVE: CREST SHAREHOLDERS ONLY

This paragraph 6 applies only to Shareholders who hold their Ordinary Shares in CREST. Terms defined in the CREST Manual and not re-defined herein shall bear the meanings attributed to them in the CREST Manual unless the context otherwise requires.

6.1 Election for Scrip Shares

You can only elect to receive your Relevant Quarterly Interim Dividend in the form of Scrip Shares by means of CREST procedures to effect such an election. **No other form of election will be permitted and if received will be rejected and returned to you.** If you are a CREST Personal Member, or other CREST Sponsored Member, you should consult your CREST sponsor, who will be able to take appropriate action on your behalf.

The CREST procedures require the submission of a Dividend Election Input Message in accordance with the CREST Manual. The Dividend Election Input Message submitted must contain the number of Ordinary Shares on which the election is being made, whether this is all or part of your holding at the Relevant Quarterly Record Date. **An election by way of a Scrip Dividend Mandate will not be permitted.**

The Dividend Election Input Message includes a number of fields which, for a valid election to be made, must be input correctly as indicated below:

- (a) Dividend Election Reference – You must indicate here a reference for the dividend election which is unique to your CREST participant ID;
- (b) Your participant I.D.;
- (c) Your member account I.D. – If you have more than one member account, you must indicate the member account I.D. to which the election relates;
- (d) ISIN – This is GG00BBHX2H91;
- (e) Distribution type – You must enter “SCRIP”;
- (f) Corporate Action – You must enter the Corporate Action number for the dividend on which your election is being made. This can be found by reviewing the relevant corporate action details in CREST. A Scrip Dividend Mandate cannot be made;
- (g) Number of shares – You must enter here the number of Ordinary Shares over which your election is made and whether this is all or part of your holding. If you leave this field blank or enter zero, your election will be rejected. If you enter a number of Ordinary Shares greater than your holding in CREST on the Relevant Quarterly Record Date, the election will be applied to the total holding in the relevant CREST member account at the Relevant Quarterly Record Date; and
- (h) Contact details – This field is optional, although you are asked to include details of whom to contact in the event of a query relating to your election.

The Company and/or the UK Transfer Agent reserve the right to treat as valid an election which is not complete in all respects.

By inputting a Dividend Election Input Message as described above, you confirm your election to participate in the Scrip Dividend Alternative in accordance with the details input and the terms and conditions of the Scrip Dividend Alternative as amended from time to time.

There is no facility to amend an election which has been made by a Dividend Election Input Message; if you wish to change your election details, you must first cancel the existing election as described in paragraph 6.4 below and then input a new Dividend Election Input Message with the required new details.

6.2 Partial elections

You can elect to receive Scrip Shares in respect of part of your holding. You will receive a cash dividend on the balance of your holding.

6.3 Timing

If you wish to receive Scrip Shares in respect of some or all of your holding, you must make your election by 5.00 p.m. on the Relevant Quarterly Dividend Deadline Date.

6.4 Cancelling an election

You may only cancel an election by utilising the CREST procedures for deletions described in the CREST Manual. Your deletion must be received and, in accordance with CREST procedures, accepted by 5.00 p.m. on the Relevant Quarterly Dividend Deadline Date for it to be valid for the Relevant Quarterly Interim Dividend. It is recommended that you input any deletion message 24 hours in advance of the above deadline to give the Company and the UK Transfer Agent sufficient time to accept the deletion.

6.5 Basis of entitlement

Your entitlement to Scrip Shares is calculated as set out in paragraph 4 above. Once your Scrip Shares have been allotted, a dividend confirmation will be sent to you showing the number of Scrip Shares allotted, the Relevant Quarterly Scrip Share Reference Price and the total cash equivalent of the Scrip Shares for tax purposes.

6.6 Residual cash balance

Fractions of Scrip Shares cannot be issued. Any residual cash amount representing a fraction of a Scrip Share arising as a result of an election for the Scrip Dividend Alternative will never exceed the value of one Ordinary Share at the Relevant Quarterly Scrip Share Reference Price (as defined in paragraph 4). Rather than incur the administrative inconvenience and cost of paying such small amounts to individual Shareholders, any residual cash amount will be retained by the Company for the benefit of all Shareholders in accordance with its articles of incorporation. No residual entitlements will be carried forward to future scrip dividends nor will they be paid or be payable to the relevant Shareholders.

6.7 Future dividends

If you wish to receive Scrip Shares for future dividends for which a Scrip Dividend Alternative is offered, you must complete a Dividend Election Input Message on each occasion. If you do not complete a Dividend Election Input Message, you will receive your dividend in cash.

If the Directors decide not to offer a Scrip Dividend Alternative in respect of any dividend in the future, a cash dividend will be paid to you in the usual way.

Crest Shareholders are not entitled to make a standing election for Scrip Shares through CREST. Accordingly, Crest Shareholders will need to complete a Dividend Election Input Message in respect of each Relevant Quarterly Dividend.

7. SHAREHOLDERS OUTSIDE THE UNITED KINGDOM

If you receive this document in any country or jurisdiction outside the United Kingdom, you may not treat it as an invitation to elect to receive Scrip Shares unless such an invitation could lawfully be made to you without the Company being required to comply with any registration or other legal requirements.

It is the responsibility of any person resident outside the UK wishing to elect to receive Scrip Shares to be satisfied as to the full observance of the laws of the relevant territory, including obtaining any government or other consents which may be required and observing any other formalities in such territories.

8. IF YOU HAVE MORE THAN ONE REGISTERED HOLDING

If for any reason your Ordinary Shares are, on the Relevant Quarterly Record Date, registered in more than one holding and as a result you have received more than one Scrip Dividend Mandate then, unless you are able to make arrangements with the UK Transfer Agent to have your holdings consolidated before the Relevant Quarterly Dividend Deadline Date, they will be treated for all purposes as separate and you should complete separate Scrip Dividend Mandates or, in the case of holdings in CREST, submit separate Dividend Election Input Messages.

9. LISTING AND RANKING OF THE SCRIP SHARES

Applications will be made to the Financial Conduct Authority for admission of the Scrip Shares to the premium segment of the Official List and to the London Stock Exchange for admission of the Scrip Shares to trading on the main market for listed securities of the London Stock Exchange (“**Admission**”). The Scrip Shares will, on issue, be credited as fully paid and will rank *pari passu* in all respects with the existing Ordinary Shares, and will rank for all future dividends declared after Admission.

10. GENERAL

No acknowledgement of Scrip Dividend Mandates or Dividend Election Input Messages will be issued. Subject to satisfaction of the conditions set out in this Appendix, definitive share certificates for the Scrip Shares held outside CREST will be posted, at the risk of the persons entitled thereto, on the Relevant Quarterly Dispatch Date, while CREST members should have their accounts credited on the Relevant Quarterly Payment Date. Dealings in the Scrip Shares are expected to begin on the Relevant Quarterly Admission Date. In the unlikely event that the Financial Conduct Authority does not agree, before the Relevant Quarterly Admission Date, to admit the Scrip Shares to the premium segment of the Official List, or if any of the other conditions are not fulfilled, Scrip Dividend Mandates and Dividend Election Input Messages will be disregarded and the Company will pay the Relevant Quarterly Interim Dividend in cash in the usual way as soon as practicable on or after the Relevant Quarterly Payment Date.

Further copies of this document and/or Scrip Dividend Mandate are available to download from the Company’s website (www.trig-ltd.com) under ‘Circulars’ in the ‘Investors’ section. They may also be obtained free of charge during normal business hours from the following:

Calls outside the United Kingdom will be charged at the applicable international rate. Completed Scrip Dividend Mandates should be posted to Link Group at the address set out above.

11. UNITED KINGDOM TAXATION

The following is a general summary of the UK tax consequences of electing to receive Scrip Shares pursuant to the Scrip Dividend Alternative instead of the cash dividend and is based on current UK law and published HMRC practice as at the date of this document (which are subject to change, possibly with retrospective effect) and applies only to UK tax resident Shareholders who hold their shares as an investment. In particular, the following does not address the position of certain classes of Shareholders, such as dealers in securities.

Any decision to elect to receive Scrip Shares will be a matter for individual determination by each Shareholder and will depend upon their circumstances, as will the precise tax consequences of such an election. The summary set out below is not exhaustive and (except where otherwise indicated) only relates to the position of UK tax resident Shareholders who are the beneficial owners of their shares. **Investors should consult their own professional tax advisors, however, in relation to the tax consequences of electing to receive Scrip Shares.**

Shareholders who are in any doubt as to what action to take, or who are subject to tax in a jurisdiction other than the UK, should consult an independent professional advisor.

11.1 UK taxation of chargeable gains

A scrip dividend is a scrip issue of new shares made in lieu of a cash dividend. Shareholders can choose whether to receive a cash dividend or the equivalent dividend in shares. The shares issued under a scrip dividend arrangement have an equivalent cash value to the cash dividend.

A UK resident corporate Shareholder will not be liable to UK corporation tax where it elects to receive new shares instead of a cash dividend. UK resident corporate Shareholders may be subject to UK corporation tax on chargeable gains arising on a subsequent disposal. For the purposes of computing any future liability to UK corporation tax on chargeable gains, no consideration will be treated as having been paid for the new shares. The new shares will be added to the corporate Shareholder's existing holding of shares in the Company and treated as though they had been acquired when the corporate Shareholder's existing holding was acquired.

Where a UK resident individual Shareholder elects to receive new shares from the Company in place of a cash dividend, the individual will not be liable to UK income tax in this respect. For capital gains tax purposes, where the election to receive new shares instead of a cash dividend is made then no consideration will be treated as having been paid for the new shares and the new shares are treated, along with the original shareholding, as the same asset acquired at the same time as the existing holding of shares in the Company (as is the case for a UK resident corporate Shareholder). UK resident individual Shareholders may be subject to UK capital gains tax in respect of capital gains arising on a subsequent disposal depending on their individual circumstances.

11.2 UK Stamp duty

No UK stamp duty or stamp duty reserve tax will be payable on the issue of the Scrip Shares.

Scrip Dividend Mandate (the “Mandate”)

If you already have a standing scrip share election in place and wish it to apply to all future quarterly dividends in respect of which a scrip dividend alternative is offered by the Directors (not just those declared in respect of the financial year ending 31 December 2024), you do not need to take any action.

If you wish to continue to receive your dividends in cash or you hold your Ordinary Shares in uncertificated form (that is in CREST), you should NOT complete or return this Mandate. Mandates received in respect of an uncertificated account will not be accepted and will be rejected.

If you wish to participate in the Company’s scrip dividend alternative (the “Scrip Dividend Alternative”), the details of which are set out in the 2024 Scrip Circular (which can be viewed and/or downloaded from ‘Circulars’ in the ‘Investors’ part of the Company’s website (www.trig-ltd.com)), please complete, sign and return this Mandate to Link Group, Central Square, 29 Wellington Street, Leeds, LS1 4DL.

This document is important. If you are in any doubt as to the action you should take, you should seek your own advice from an independent professional adviser.
